PARTNERSHIP PACKAGES 2023/2024

ABOUT KBJBC;

Kwinana Blue Jays Baseball Club were established in 2019 and had a successful first season of senior's baseball in the Baseball WA Competition. With the clubs objectives to expand into Junior Baseball (9 – 18 years old) and Tee-Ball (4 – 12 years old), a lot of work was undertaken last season to establish the Blue Jays as a destination club in Kwinana Locale, and through demand, compete in Winter Softball.

Established by a group of friends / families whom have kids of all ages, we provide a safe environment where adults and kids can interact through the games of baseball / tee-ball, learn and have fun. We pride ourselves on being a social club and creating an enjoyable atmosphere and believe the foundation has been laid for future years.

Partners of KBJBC;

Becoming a partner of the Kwinana Blue Jays can benefit both the members of the club and for you, the business owner. How you might ask? We don't believe in sponsors however partners, we believe that building reciprocal relationships is good for both parties and the community. We believe in giving back and you will see the below packages are based on supporting your business from holding events/functions at your venue, acknowledging your support via social media platforms and wearing and advertising your name proudly during the year.
